

HELP REDUCE THE SPREAD OF COVID-19 ON THE ROAD

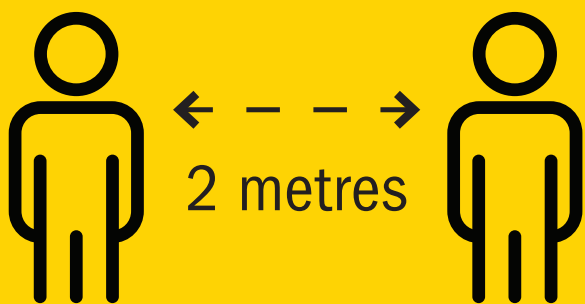

1. Plan ahead to arrange contactless pick-ups and deliveries.

2. Keep a supply of hand sanitizer and gloves, and sanitize your hands before getting in your truck.

3. Sanitize the inside of your vehicle and mobile phone frequently.

4. Take precautions at rest stops by keeping a distance of at least 2 metres from others.

TOGETHER, WE CAN WORK THROUGH THIS SAFELY.
