

Recognizing Workplace Hazards: Discussion Guide

This resource accompanies the Recognizing Hazards in the Workplace slideshow

What safety training is provided now for new hires at your workplace?

How is recognizing hazards covered?

What measures and conditions contribute to level of risk?

How could you assess the level of risk a hazard poses?

Are there tasks at your workplace that some people think aren't risky?

Use the risk assessment matrix. Are the results different from what's expected?

How are hazards recognized and communicated at your workplace?

How could this change to better support different needs, eg. shifts, roles, language, literacy, etc. ?
