

Reporting Hazards in the Workplace: Discussion Guide

This resource accompanies the Reporting Hazards in the Workplace slideshow

What are some of the hazard reporting obligations that employers have and that employees have?

How is hazard reporting a part of Internal Responsibility System (IRS) responsibilities and rights?

What do managers and supervisors need to do to ensure hazards are reported?

What supports do managers and supervisors need in order to do this?

What factors can lead to hazards not being reported or under-reported?

What measures could decrease these factors in a workplace?

How hazards are responded to can be directly influenced by attitudes and life experiences.

How can reporting measures be flexible to these influences?
