

## Responding to Hazards in the Workplace: Discussion Guide

This resource accompanies the Responding to Hazards in the Workplace slideshow.

What factors can influence how hazards are responded to?

---

---

---

---

---

---

---

What types of measures can help employees, supervisors, managers properly respond to hazards?

---

---

---

---

---

---

---

You've been asked to contribute to a workplace safety training manual for supervisors.

What points would you include for what supervisors should and should not do, if they get a hazard report?

---

---

---

---

---

---

---

---

---

---

Wet floors are identified as a hazard in your workplace.

Apply the three areas and three methods of hazard control for 2-3 controls for the wet floors.

---

---

---

---

---

---

---
